

Implementing & Sustaining Evidence-based Practice Speaker Series

Sponsored by The Implementation Interest Group

This speaker series will raise awareness and understanding of issues related to implementation of evidence-based practices within mental health organizations. It will offer a bird's eye view of the field of implementation science, explore a variety of conceptual frameworks for addressing the unique elements involved in organizational change, and discuss constructive suggestions for creating changes necessary at all levels of an organization to successfully adopt and implement evidence-based practices.
